Hillcrest Lacrosse FAQs

What is Hillcrest Lacrosse - Hillcrest Lacrosse is a club team centered in North Dallas at Hillcrest High School. Our members are from DISD and private schools without Lacrosse programs.

When is Lacrosse season - Lacrosse Season is traditionally in March and April, some games may bleed a couple of weeks either side of those months. We will try to play 8-12 games during the season. Home games will be played at Franklin Field (Hillcrest at Meadow). There are summer and fall recreational leagues also.

Is Lacrosse a contact sport- Yes, checking is allowed - there are strict guidelines on contact. Injuries do occur but are less prevalent than football and soccer.

What type of equipment do I need - A stick (crosse), gloves, elbow and shoulder pads and a helmet. Beginners packages are about \$225.00 . Not Just Soccer or Team Sports. **We have equipment for boys who want to try it out!**

Do you have loaner or test equipment - **Yes!** Come out and try it out! We have great set of coaches anxious to teach the sport!

Team Fees - Our youth **Spring** fees are usually around \$275.00 which includes uniform and games; high school fees somewhat higher. That being said **no boy will be turned down due to financial need.**

Spring Practices - Youth, generally 2-3 days a week in the fall (no practice on game days). High School practice times are comparable to other varsity sports.

Scholarships - If your boy wants to play and you are in financial need, scholarships can be arranged.
